EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Howard M. Cohn on January 27, 2004.

In the claims:

Claims 22-24 have been cancelled.

Note: Agreement was reached in the above noted interview on the cancellation of claims 22-24 to place this application into condition for allowance, the examiner indicating that it was believed that new claims 22-24 were not patentably distinguishable from the prior art evidenced by for example Katagiri et al. (US 3,929,546; referred to in the last office action). Remaining claims 13-21 are allowable for the reasons already of record with respect to claim 16 in the last office action.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Geoffrey L. Knable whose telephone number is 571-272-1220. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Crispino can be reached on 571-272-1226. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.
